Gary:

I based the crew number on what we had going yesterday and today with the Warehouse cleaning operations and the Vacuum Truck operations. I relied on the discussion that you and Frank had. We have the same number today with these same activities. I will go back to 5 laborers on Monday, unless START needs some additional support with the drum operations next week.

Leroy:
You have listed:
5 Laborers
1 Truck Driver
1 Foreman
I thought we had talked about 6 SWS?
